MARCH 17, 2012

**Upcoming Events:**

**Zoo Program:** The Sacramento Zoo will be visiting our school on Friday, March 23. There will be two presentations: 1 at 9:30 and one at 10:00. If your child doesn't attend school during this time, you are still welcome to bring him/her for one of the presentations. There are a limited # of extra spaces available, so please sign up on the sheet located next to the time clock. Siblings are welcome during the presentations, but you must reserve a spot for them and the \$6 field trip fee applies. It should be a great experience for the students.

**Spring Break:** Just a reminder that the center will be closed for spring break April 2—6, 2012. We wish everyone a blessed break.

**Trike-A-Thon:** Our annual Trike-A-Thon, which benefits St. Jude's Children's Hospital, will be held in April. (Date TBA) Each year, we set up a small course in the church parking lot and the kids have a great time riding around it while their friends cheer them on. Our students will be learning about the organization before the break and pledge sheets and more information will be put in your child's cubby soon.

**All School Performance & Pre-K Graduation:** More information will be sent home at a later date, but please mark your calendars for Thursday, May from 5:30—6:30 p.m.
