

Hop Into Learning @ Froggie Frontier

January 5, 2018

Dear Parents:

Welcome back! The staff would like to wish you a healthy and happy new year!

**2017 - 2018 School Year:** Priority registration for our upcoming school year will take place between January 17 - January 27. A returning registration form will be put in all Tadpole students' timesheet folders next week. (We are assuming that all of our Pre-K students will be moving on to either T-K or Kindergarten, but if this is not the case, please ask for a form.) We will open up enrollment to new families beginning on February 1.

**Pre-K Students:** If your child will be turning 5 on or before September 1, it will soon be time to register for Kindergarten at your local elementary school. Children who will turn 5 years old between September 2 and December 2, 2017 are eligible for Transitional Kindergarten. Please check your school district's website for more information.

**School Closure:** Just a reminder that we will be closed in observance of Dr. Martin Luther King, Jr. on Monday, January 15, 2018.

**Year End Childcare Statements:** You are able to print your own 2017 childcare statements from your account ledgers directly from OnCares and our tax i.d. # is listed on any account statement you print out. If you attended school with us last school year or during the summer, your information is in our old system and we will be providing you with a statement on or before the January 31st deadline. Because of the time that it takes for us to generate these, there will be a \$5 replacement fee.

Replacement statements will also take 5 business days to process.

On another note, some of you are still carrying small balances from last school year and this will be clearly reflected on the statements we provide. Any balances that are still unpaid will be transferred over from the old system to On-Cares beginning in February.

### **This Month at Froggie Frontier**
