

Hop Into Learning @ Froggie Frontier

April 2022

Spring Break: School is closed for spring break April 11-15. We hope you have a wonderful week off.

St. Jude's Trike-A-Thon - April 28 & 29

We will be riding center trikes during our center times on a small course we set up in the church parking lot. The kids will be learning about the St. Jude's organization in their classes and we'll also tie this event into our faith builder of "Giving To Others". St. Jude's is a wonderful charity that never charges families for treatment or travel expenses. To register your child go to stjude.org/trike, click on "find your school" and enter Froggie Frontier in CA. (For some reason, our school shows up under Folsom, so either leave the city blank or use Folsom for the city part of the search.) You can share this information for friends and family who wish to support your child by making donations on-line. Children can earn prizes for fundraising efforts. Please know that your child's participation in the fundraising part is completely at your discretion. If your child doesn't attend school on the days listed above, but you would like to supervise your student on the track so he/she can ride, please make arrangements with your child's teacher. **Please have your child bring in a bike helmet to school on the days listed above.** If your child forgets theirs, we have one here that can be used and will sanitize it in between uses.

This Month in Preschool
