

Hop Into Learning @ Froggie Frontier

January 7, 2022

Dear Parents:

It was so great to have everyone back at school this week. We wish everyone a healthy and happy new year.

2022 - 2023 School Year: If your child will be turning 5 on or before September 1, it will soon be time to register for Kindergarten at your local elementary school. Children who will turn 5 years old between September 2 and February 2 are eligible for Transitional Kindergarten through their local school districts. Please check your school district's website for more information.

If your child will not be moving on to Kindergarten or T-K, priority registration for our upcoming school year will take place between **January 18 - January 27**. A returning registration form will be put in all Tadpoles students' folders. If you have younger children you wish to register, please ask us for a new student registration form. We will open up enrollment to new families beginning on February 3.

School Closure: Just a reminder that we will be closed in observance of Dr. Martin Luther King, Jr. on Monday, January 17, 2022.

Year End Childcare Statements: We will be providing you with a 2021 statement via email on or before the January 31 deadline. If you would like a jumpstart on your taxes or you misplace the statement we send you, you are able to print your own 2021 childcare statement from your account ledger directly from 1core and our tax i.d. # is listed on any account statement you print out. Please be sure to hang onto these statements. Should you misplace yours, it can take up to 5 business days for us to provide you with a new one.

This Month at Froggie Frontier

Owner Announcement

Froggie Frontier has been such a blessing to develop and run the past 13 years. While I love my time at the center, retirement is just a few years away for me, so, it's now time for me to seek out employment that will add service credits to my current public retirement accounts. For this reason, I am under contract to sell Froggie Frontier. The new owner will take over at the conclusion of this school year in June 2022. While leaving Froggie is bittersweet, I couldn't be happier with who my successor will be and she is a familiar face to you all. I'm excited to announce that I'll be passing the torch to our very talented director, Krissy Jennings! While I know that she will put her own special stamp on Froggie Frontier, she plans on keeping things much the same as they are now, so you can expect the same philosophy, ratios, pricing, policies and procedures etc. for our upcoming school year. I hope you will support her as you have me. It is really the people; amazing children, supportive families, and phenomenal staff, that have made Froggie Frontier such a special place to be and I will be forever grateful for all who have been a part of my little school. God Bless!
