

Hop Into Learning @ Froggie Frontier

March 2022

St. Patrick's Day: Since leprechauns LOVE children, they have been known to visit our school in the past, and we expect them to do so again this year. The "tricks" they play are all in good fun and we will keep our activities very age appropriate. Last year, they played with all the green things in our classroom (we could tell because they forgot to put them away when they were through) and one little guy accidentally tracked in some green footprints. Since they left us a nice surprise, we were okay with cleaning up after them. We really wanted to find them so we could thank them, so we hunted ever so quietly around the school (wearing our leprechaun disguises of course), but nary a leprechaun did we find. We'll see what happens this year... Don't forget to wear green on Thursday, March 17.

School Picture Days: *Wednesday, March 30 & Thursday, March 31 with CMYK/Photography*

We will be having school photos on March 30 and March 31. These will be outdoor photo sessions and there are no pre-orders necessary. If your child doesn't attend school on Wednesday or Thursday, and you want your child to participate, you are welcome to do so. Just let us know ahead of time so we can get your child on the photographer's list. We recommend you arrive at 9:30 and expect that you might need to wait as the photographer fits you in.
